## **WE'RE HAPPY TO HAVE YOU IN OAKDALE, NEW RESIDENT!**

Welcome to your new home! We're excited you are part of our community, and our City of Oakdale staff is here to orient you. If this guide doesn't answer your questions, feel free to reach out with a phone call, e-mail, letter or friendly visit to City Hall!

Oakdale has a proud history and promising future. Designated as a city in 1974, Oakdale is located in Washington County with over 28,000 people. The City is experiencing significant growth with the population expected to reach 35,000 in the next five years.

Over 625 businesses call Oakdale "home," providing retail, dining, entertainment, commercial, industrial and professional services. Recent housing development and the METRO Gold Line Bus Rapid Transit (BRT) system are expected to spur additional business growth in the near future.

The City of Oakdale offers a variety of recreational and leisure pursuits for people of all ages and backgrounds. Oakdale boasts 29 City parks including the scenic 220-acre Oakdale Nature Preserve that includes the Oakdale Discovery Center, lake and numerous walking and biking trails. Walton Park, where City Hall is located, hosts events like summer concerts, farmers markets, movies in the park and the annual City celebration, Summerfest.

In Oakdale, our City staff takes pride in helping residents live happily. That includes providing timely and friendly service in all areas of policing, emergency services, public works, permitting and inspections, recreation and all areas of administration. Our elected officials also work hard to engage with and represent Oakdale residents and businesses when making decisions.

We hope that this guide is helpful as you settle in to Oakdale. We hope to meet you soon, neighbor!

## YARDS, TREES AND WETLANDS

It's important to keep Oakdale looking great. Here's some important things to know about all things green.

- From May 15 to October 15, grass needs to be kept at a maximum height of six inches and weeds kept under control.
- Oakdale operates under a year-round, odd-even watering schedule: even numbered addresses can water on even numbered days and odd numbered address on odd numbered days.
- Branches and brush under eight inches in diameter can be disposed at Public Works for a nominal fee from April to October.
- Yard waste is not accepted at Public Works.
- Please keep grass clippings, yard waste, leaves and animal excrement away from ponding areas, streets and storm sewers.
- If you live adjacent to a wetland or pond, the area surrounding the body of water is owned by the City or state. Grasses, cattails and trees in this area must remain for the health of the wetland.
- The City offers free curbside pickup of buckthorn each fall. Residents can also borrow a tool from the City to remove these invasive plants. Buckthorn can also be disposed of for free at Public Works.

# WINTER IN OAKDALE

## PLOWING AND SNOW REMOVAL

Oakdale is divided into defined plowing routes with priorities based on topography, traffic volumes and usage. The City uses de-icers and salt on a limited basis for hazardous ice and slippery conditions. To ensure an efficient and timely snow removal process, residents can help:

- Follow Oakdale winter parking restrictions.
- Be patient! Plowing the entire City takes time.
- Be prepared for winter driving delays.
- Keep children away from curbs and boulevards when plows are out.
- Keep fire hydrants clear of snow.
- Don't push, shovel, blow, sweep or plow snow onto a City street at any time. You can get fined.
- When sharing the road with snowplows, give them room to work and don't pass a snowplow.
- Place your garbage and recycling containers behind the curb on collection day prior to 7 AM. Keep containers out of the path of traffic and snowplows.

**Snow Removal FAQ:** [www.oakdalemn.gov/FAQ](http://www.oakdalemn.gov/FAQ)

## FROZEN PIPES

Prolonged low temperatures and increased depth of frost in the ground increases the likelihood of water pipes freezing. Frozen pipes are at risk of expanding, rupturing and causing interruption of water service.

By monitoring water service, residents and businesses can determine if the service is experiencing difficulties. One sign is discolored water when a faucet is turned on. Another sign is water temperature below 40 degrees. To lessen the chance of frozen pipes, run a faucet at a slow trickle to keep water flowing through the pipes.

## SKATING RINKS

Oakdale offers outdoor skating rinks and warming houses scheduled to open in late December, weather permitting, through late February. Rinks will be closed when temperatures soften ice enough for unsafe conditions, when actual temps reach -10 degrees or -25 degrees windchill, or more than three inches of snow accumulates on the ice. Please observe posted closings to assist staff in maintenance. Locations, hours, rentals and more information: [www.oakdalemn.gov/564/Ice-Rinks-Warming-Houses](http://www.oakdalemn.gov/564/Ice-Rinks-Warming-Houses)

## WATER AND SEWER SERVICE

Oakdale provides your water and sewer service. Utility bills include charges for water usage, sanitary sewer, community-wide street lighting, storm water management, and Minnesota testing fees. Charges cover the cost of providing services, system improvements, maintenance and general repairs.

**Sewer Usage Base:** Every winter during residential billing quarters, annual average consumption is re-established for sewer charges. This takes into consideration water going into your sanitary sewer and not outside water use. Depending on water usage during this time, you could see a change on your bill.

**Water Meter:** A water meter is read with an automated reading device. The "Read Code" on your bill tells you how your meter was read. If the automated read was successful, your bill will say either "Actual" or "Radio Read". If the attempt was unsuccessful due to interference or other reasons, your bill will say "Estimated Read". If you receive two "Estimated Read" bills in a row, please contact the City as an appointment may be needed to identify and resolve the issue.

**Water Meter Leak Indicator:** The water meter in your home has a "leak indicator" that flashes for an intermittent leak or is on constant display for a continuous leak. Common culprits are appliances, fixtures, and toilets. The indicator looks like a faucet icon and is displayed on the LCD screen of your meter. The LCD screen is easily activated by a flashlight. If the leak icon is displayed, it is important for you to track down the source(s) and fix the leak(s). You can pick up free toilet dye test kits at City Hall.

**Payment Options:** The City provides a variety of options for utility payment:

- **Online/Auto Pay** - Secure online payments can be made online, and you can also enroll in automatic payment scheduling and paperless billing by creating an account. Go to the Oakdale website and click the "Make a Payment" button on the home screen or visit [www.oakdalemn.gov/579](http://www.oakdalemn.gov/579).
- **City Hall** - There is a secure drop box located in the parking lot where payments can be made by check or credit card. You can also bring cash or check to City Hall during regular business hours or mail the check and payment stub to City Hall.

## TRANSPORTATION

There are several Metro Transit bus lines that serve Oakdale with varied service. The new Metro Gold Line is a 10-mile rapid bus line with bus-only lanes along Interstate 94 that provides frequent, all-day service with stops at the Helmo and Greenway stations in the City. Oakdale has two Park and Ride locations with one in the Walton Park north parking lot and at the Helmo Station. Transit Link provides shared-ride, curb-to-curb minibus or van service on weekdays for a fee of \$3.50. Metro micro is a shared ride service available in the Woodbury area which includes parts of Oakdale. For Metro Transit information and schedules, visit [www.metrotransit.org](http://www.metrotransit.org).

Washington County also provides a Community Circulator loop in Oakdale to help residents get to important places. Learn more at [www.gowashingtonmn.com/community-transportation](http://www.gowashingtonmn.com/community-transportation).

Oakdale also has an extensive network of trails and sidewalks for walking and biking. Work is underway to help make Oakdale more bicycle- and pedestrian-friendly.

# WASTE REDUCTION

## RECYCLING

Recycling is available to all households in Oakdale. Empty and rinse containers before placing them in your recycling cart. Put items directly in your cart or in a paper bag. Do not put items in plastic bags. Generally, recyclable items include glass, metal, plastic (labeled Number 1, 2 and 5), cartons, paper and cardboard. You can contact your waste hauler directly for more information on accepted items, or visit [www.washcorecycles.com](http://www.washcorecycles.com).

## ENVIRONMENTAL CENTER

Washington County operates two Environmental Centers in Forest Lake and Woodbury for disposal of recyclables, electronics, hazardous materials (including batteries), household sharps, plastic bags and other materials. Additionally, the Environmental Centers have food scraps drop-off and a free product rooms. For more on these services, visit [www.washcorecycles.com/EnviroCenter](http://www.washcorecycles.com/EnviroCenter).

## DISPOSAL DIRECTORY

If you can't recycle something at home or the Environmental Center, check out the Washington County disposal directory for more disposal options: [www.washcorecycles.com/disposal](http://www.washcorecycles.com/disposal)

## MEDICATIONS

Washington County provides medication drop-off services to dispose of prescription or over-the-counter medications or pet medicines. A drop-off box is available at City Hall during regular hours. For more information on locations and accepted items, visit [www.washingtoncountymn.gov/3029/Medication-Drop-Off](http://www.washingtoncountymn.gov/3029/Medication-Drop-Off).

## FOOD SCRAPS

Washington County offers food scraps collection to Oakdale residents. Waste collected is turned into compost. Residents can participate for free in the Food Scraps Pickup program OR take food scraps to county collection sites through the drop-off program. Residents must sign up to enroll in the Food Scraps Pickup Program and receive a free supply of collection bags. To learn more and sign up, visit [www.FoodScrapsPickup.com](http://www.FoodScrapsPickup.com). # ANIMALS IN OAKDALE

More info: [www.oakdalemn.gov/549/Pets-Wildlife](http://www.oakdalemn.gov/549/Pets-Wildlife)

**Chickens/Poultry:** A permit from the Police Department is required to keep chickens or poultry with no more than six permitted. No roosters are allowed. Use the link above for more information on additional requirements.

**Coyotes:** Oakdale has a presence of home range coyotes. Info on urban coyote management at link above.

**Deer:** Deer in suburban areas wreak havoc on gardens, trees, shrubs and other landscaping. Feeding deer or putting out salt licks is not permitted in Oakdale. Doing so can result in the need to reduce the deer population.

**Feeding Wildlife:** Feeding birds is permitted if bird feeders are at least five feet above the ground, structure or shoreline. Feeding the following wildlife is not allowed: deer, raccoons, turkey, coyotes, feral cats, foxes, skunks, geese, ducks, herons, egrets, swans or other water fowl.

**Geese:** If you have issues with geese, please review the City's "Goose Management Plan" at the link above.

**Leashes:** All dogs in Oakdale must be leashed in City parks, with the exception of the Oakdale Bark Park. Leashed dogs must be held by a person with the ability to properly control the animal.

**Licenses:** Licenses for dogs and cats are no longer required in Oakdale.

**Nuisances:** Animals that "run at large" are at risk of being impounded. Not everyone enjoys the company of pets. Please take care so that pets do not disturb others or their property.

**Number of Pets:** Pet owners with more than three of any single type of domestic animal, over three months old, need to obtain a permit from the Police department.

**Sanitation:** Pet owners need to remove and properly dispose of pet waste from their yards and also when out and about on trails and sidewalks.
