A NEW NEIGHBORHOOD

Development continues in the new Willowbrooke neighborhood

The Willowbrooke neighborhood is the outcome of a Small Area Plan completed by the City Council in September 2017 that creates a new neighborhood on approximately 208 acres north of the 4Front Office and Technology Campus, between I-694 and Ideal Avenue N. along 40th Street N. The Small Area Plan is part of the 2040 Comprehensive Plan.

The City Council approved development plans for the new residential neighborhood at their meeting on September 8, 2020. The neighborhood will have a mix of housing types and styles situated in an interconnected park and open space system.

Progress continues on the new Willowbrooke neighborhood, a 208 acre development located between I-694 and Ideal Avenue North along 40th Street N.

Work began last fall to prepare the site for the first phase of development. This work includes tree removal in areas where new homes, streets, and parks will be located. New trees will be planted on each home lot, along the boulevards of the streets, and in the parks and open spaces. The existing woodland on the western portion of the site will be largely preserved and eventually enhanced to remove invasive

species and provide walking paths. The first homes will be built in the area south of 40th Street North and just west of Ideal Avenue North. There are 63 townhomes and 50 one-level single family homes planned for this part of the neighborhood.

For more information about the Willowbrooke development, visit www.ci.oakdale.mn.us/willowbrooke

COMMUNITY SURVEY

In an effort to accurately gauge satisfaction levels of quality of life and city services, the City of Oakdale conducted a community survey last spring. Survey results were presented at a City Council Workshop in October.

The survey is the most accurate way for the City to hear from a large number of residents across the city and all demographics about what is important to them. The survey results help City Council and staff develop priorities for where to focus efforts and resources.

Of the 1,700 surveys that were sent

to households selected at random, 496 were completed, which is a higher than average response rate. The City also conducted a supplemental online survey that was open to all residents, which received an additional 74 responses.

The survey was conducted via mail in partnership with National Research Center (NRC), a Colorado survey research firm. NRC conducts community surveys all over the country.

Overall, residents gave high marks for satisfaction with the City of Oakdale.

- 91% gave satisfied ratings for Oakdale as a place to live
- 85% gave satisfied ratings for the overall quality of life in Oakdale
- 8 in 10 respondents plan to remain in Oakdale for the next five years
- 9 in 10 respondents would recommend living in Oakdale to someone who asked
- 8 in 10 residents positively rated the quality of city services

Complete survey results and more information can be found online at www.ci.oakdale.mn.us/survey.

LEAVING A LEGACY

Oakdale Police Department's first female supervisor retires after 30 years of service

Captain Karin LaTour is hanging up the badge, retiring in February, after a 30 year career with the Oakdale Police Department. LaTour was hired as a Patrol Officer in January 1991. Seven years later she was promoted to Sergeant, making her the first female supervisor ever to have served on the department. In 2014 LaTour was promoted to Captain, the title she retained for the remainder of her career.

LaTour had her eyes set on a career in law enforcement from an early age. As an avid athlete involved in many sports growing up, she was particularly drawn to the team dynamics that belonging to a Police Department offered. When she was hired in Oakdale she was one of two females in the department.

Captain Karin LaTour, the first female supervisor for the Oakdale Police Department, is retiring in February

LaTour recalls her early experience entering a male-dominated field. "It wasn't as common to see women in law enforcement 30 years ago," said LaTour. "On my first ride along during an internship in a different city, my male ride along partner told me he wasn't a fan of women in these roles, and if I just 'sit there and shut up we will be fine.' He then ended our shift early."

While that initiation into police work wasn't exactly welcoming, LaTour clarified that the majority of her male colleagues early in her career were

supportive of women in the field, and that acceptance has grown over time. "Now there is a collective belief that everybody brings something different to the table," said LaTour. "Less emphasis is placed on whether you are male or female, but rather on what unique strengths and skills you have to offer the whole."

According to Oakdale Police Chief Bill Sullivan, the experience and skills that LaTour brought to the department were plentiful. "Captain LaTour is an influential leader with a remarkable ability to develop positive relationships with virtually everyone she comes in contact with," he said. "Karin has contributed so much to the department during her tenure in the areas of operational improvements, team morale, and employee wellness. She has been a tremendous asset to the department and will be greatly missed."

When asked what her plans are for retirement, LaTour responded that she is looking forward to spending more quality time with her family.

TREKKING THROUGH THE TREES

Learn about trees while trekking through the Oakdale Nature Preserve

The next time you're in the Oakdale Nature Preserve, watch for the brown posts with green stickers located along the trail. The posts are part of the City's new Tree Trek program, a self-guided tree identification walk. Oakdale's Tree Trek program was spearheaded by the city's Tree

Board, in an effort to educate the public about the different tree species that exist in Oakdale. "We get a lot of questions from community members about trees and how to identify them," said Tree Board member Marge Sagstetter. "The Tree Trek program is the perfect way for people to learn about trees in their native habitat. It's like having our own mini arboretum in Oakdale."

Oakdale's Tree Trek identifies more than 50 trees and shrubs, which are marked with a post that lists its common name and scientific name,

common traits, and other interesting facts. Each post also includes a QR code that participants can scan with a mobile device to access even more information about each species.

Tree Trek maps are available at the Discovery Center, or online at www.ci.oakdale.mn.us/treetrek. Oakdale's Tree Trek program was developed in partnership with the University of Minnesota Urban Forestry program, Washington County Master Gardeners, and the MNDNR. It is sponsored by the Oakdale-Maplewood Lion's Club.

VOLUNTEER OF THE YEAR

Every year the City recognizes a Volunteer of the Year - an individual or group that has gone above and beyond in their efforts to get involved in the community and help others. The 2020 Volunteer of the Year is Larry Eberhard.

Larry was selected for the many ways he serves the community including serving as a long-time member of the Chamber of Commerce, serving on the Holiday Helping Hands program team, serving on the City's Economic Development Commission, sponsoring an annual free community shredding event, holding an annual school supply drive, and so much more!

Do you know someone deserving of the honor? Nominate them at www.ci.oakdale.mn.us/volunteer

Oakdale resident Larry Eberhard was named 2020 Volunteer of the Year. Mayor Paul Reinke presented the honors with a plaque.

SPRING REMINDERS

Hydrant Flushing

Typically in early May, all the hydrants throughout the City are flushed to clear out impurities, particularly iron deposits, that build up over the winter months. The flushing process may create a temporary interruption to your water service and/or discolor the water coming out of your faucet. In the case of discolored water, run the cold water for a few minutes.

Load Limits

Weight restrictions are implemented each year in early spring in an effort to minimize the wear to the streets and to allow the base adequate time to stabilize. During this time, we ask that you avoid scheduling deliveries and remodeling projects. Please contact the Engineering Department at 651-730-2734 with questions.

Parking by Mailboxes

To allow for the unobstructed delivery of mail, vehicles must park at least 10 feet away from either side of all mailboxes between the hours of 8 AM and 6 PM, Monday through Saturday.

Storm Sewers

Only Rain in the Drain. If yard waste (leaves, grass clippings), automotive fluids, and pet waste are allowed to enter storm drains, they flow directly to our lakes, rivers, and ponds. Urban storm water runoff is a major source of pollution. Do your part, one drop at a time!

Sewer Back-ups

Anyone experiencing a problem with their sewer system should notify the Public Works Department immediately at 651-730-2740. Call the City before you contact a drain cleaning service. The main sewer line will be investigated and the necessary action taken.

YOUR WATER AND SEWER BILL

Oakdale provides your water and sewer service. Your utility bill includes charges for water usage, sanitary sewer, community-wide street lighting, and storm water management that cover the costs of providing the services, making improvements to the systems, and for general maintenance and repairs.

In 2020 the City engaged a consultant to perform a comprehensive rate study to ensure that the revenues generated by the City's utility rates were adequate to support the operation and maintenance of those systems, as well as study how Oakdale's rates compared to neighboring communities. City Council approved rate increases for 2021 in line with results of the study. Utility rates for 2021 are outlined below.

2021 UTILITY RATES

DOO GOOD!

Pick up dog doo. Protect streams.

Dog doo can pollute stormwater. Rain and melting snow flows across yards and trails, collecting in storm drains that lead directly to streams. Contaminated water can cause typhoid fever, viral and bacterial gastroenteritis and hepatitis A. Pet waste also contributes to algae growth, making our lakes and rivers green and unsightly.

In some urban areas, as much as 20% of water-borne bacteria can be traced to dog droppings. It has also been estimated that 100 dogs

could contribute enough waste to contaminate a small lake or pond within only two to three days.

Be a “Doo Gooder”

You can make a difference by being a responsible pet owner/guardian. Here are 5 tips every “Doo Gooder” should know:

- Be prepared: carry poop bags with you. Take extra bags so you don't run out.
- Make sure the bag ends up in a trash can.
- When you hike, never leave a bag on the trail – there's nobody designated to pick them up!
- Pick it up at home to keep your yard healthy and to protect streams.

PARK INFORMATION

ADOPT-A-PARK

Caring for a park is a great activity for individuals, families, organizations, churches, service clubs, youth groups, schools, and businesses. The process is easy! Go to: www.ci.oakdale.mn.us, select "How Do I," then "Sign Up For," and then "Adopt a Park." Or call the Parks Department at 651-730-2740.

LEASHES & MUTT MITTS

Dogs must be leashed when in city parks (exception: Oakdale Bark Park).

Please remember to look for the Mutt Mitts dog waste bag dispensers in city parks to easily pick up and properly dispose of dog waste. Left on the ground, dog waste is not only unsightly but can pollute water and pose health risks to your dog.

JOIN THE OAKDALE RECREATION TEAM!

Recreation Youth Program Instructors

Lead, plan and implement a variety of recreation activities. Must be 16 years old. Schedule: Monday to Friday, 30 to 40 hours per week, must be available to work a few weekend hours - \$13/hour. Visit www.ci.oakdale.mn.us/employment for details. Application deadline is March 31.

Class Instructors

Do you have a special skill, interest, knowledge or hobby you'd like to share? The Oakdale Recreation Department is looking for enthusiastic leaders and class ideas for all ages, stages, abilities and interests. Proposals are accepted throughout the year. Contact Julie at 651-747-3867 or email at julie.williams@ci.oakdale.mn.us

WINTER WALKING AT THE NATURE PRESERVE

During the winter, the asphalt/paved trails throughout Oakdale Nature Preserve are cleared after each snowfall to allow for winter walking. Snow on the Mud Lake boardwalk is not removed. Ungroomed trails are available for snowshoeing and cross country skiers.

VOLUNTEER!

Park Clean Up: April 26 - May 2
Tidy up a park by getting rid of the trash and debris that accumulated over winter. Great activity of individuals, families, organizations, schools, and businesses. Garbage bags are provided and each participant receives a thank you gift. Call the Recreation Department at 651-747-3860 to sign up.

PICNIC SHELTER RENTALS

Looking to rent a picnic shelter for an upcoming event? Please call 651-747-3860 or visit Oakdale Recreation during regular business hours. The permit issued by the city will give you exclusive use of the shelter for the date and time reserved, subject to COVID rules and procedures. Picnic shelters and locations can be found at www.oakdalefun.com.

DISCOVERY CENTER

NORDIC WALKING POLES

Using Nordic Walking Poles can turn your ordinary walk into a total body exercise that delivers far more motivating results and makes walking more fun! Poles, resembling ski poles, are used to involve the upper extremities when you walk, toning and firming every major muscle at the same time. Poles offer rubber tips for use on pavement while reducing the impact of the hard surface.

Stop by the Discovery Center during regular hours of operation and check out a pair of Nordic Walking Poles at no cost. Photo ID required. Available in adult sizes only.

BINOCULARS

Binoculars are now available for check out at no cost during regular hours of operation. Simply present your driver's license and head out in search of birds.

COMMUNITY BOOK AND MOVIE SWAP

Bring gently used books and DVD movies to the Discovery Center and swap them for something new. Books must be in good, readable condition, with the cover intact. Movies must be fully operable and in their original case. An even exchange: books for books and DVDs for DVDs.

SCAVENGER HUNT

Pick up the Scavenger Hunt Guide (available April 1) at the Discovery Center and then head out into the wild for a scavenger hunt! Prizes will be given to those who find items listed in the guide. (Prizes are age 12 and under appropriate).

TANDEM BIKES

(Available early April, weather permitting) Two tandem bikes are available for use at the Discovery Center so bring a date, a significant other, family member, or friend during regular hours of operation and check one out. Simply present your driver's license and you'll be on your way!

DISCOVERY BACKPACKS

Stop at the Discovery Center and check out one of our Discovery Backpacks – at no cost. Inside the pack you will find everything needed for a fun exploration into the Oakdale Nature Preserve. Locate animal tracks, identify trees. Use binoculars to catch a glimpse of the deer, fox, raccoons and some of the 162 birds that call the Nature Preserve home. You'll be surprised at all that this beautiful, 200 acre park has for you to discover.

DISCOVERY CENTER ART GALLERY

The art gallery at the Discovery Center has a long tradition of showcasing the creations of dozens of local artists, featuring a different artist each month.

The gallery is open Mondays, Tuesdays, Wednesdays, and Fridays: 8 AM to 4:30 PM; Thursdays: 8 AM to 8 PM; Saturdays: 12 to 4 PM; and Sundays: 1 to 4 PM.

Interested in having your artwork featured? Contact Laura Linzmeyer at 651-747-3866 or laura.linzmeyer@ci.oakdale.mn.us

AT HOME ART KITS

Elementary aged kids, but with adult supervision, kits can also be used for preschoolers.

At home art kits with online instructional videos are now available from Kidcreate Studio! These art kits are so much fun; it's like having your very own private art teacher! The kit contains an easy to follow lesson plan, a link to a correlating online instructional video taught by a Kidcreate Studio art teacher, art materials needed to create one fridge-worthy masterpiece and additional suggestions for online learning that relate to the art lesson. Simply register at www.oakdalefun.com. Kits will be available for pick up the following week beginning on Wednesday at the Oakdale Discovery Center.

\$15 per kit (prepay at www.oakdalefun.com) | Discovery Center Pickup Art Kits to choose from:

Clay Mosaic

Let's create a mosaic out of air dry clay and beads! Clay by itself makes great art, but adding beads or sequins makes it even better! Air-dry clay will be used to create a fun and funky mosaic.

Slime Time

Let's create one of our favorite messy times - silly putty slime! Roll up your sleeves and let's get messy!!

Bunny Sunset

Let's create some adorable bunnies watching the sunset! You will learn to draw little bunnies, then paint a warm sun setting sky where they can gaze.

Clay Coil Bowl

Let's create a clay coil bowl! We will learn a special clay technique to build these unique creations.

FAMILY FUN

Get outside and play!

WAHOO! ADVENTURES FAMILY MOONLIGHT SNOWSHOE & BONFIRE

Enjoy a leisurely snowshoe walk along a luminary lit trail through the wooded Oakdale Nature Preserve.

Join us back at the bonfire for hot dogs, burgers, chips, s'mores, and hot chocolate. The luminary lit trail will close at 8:30 PM. A great way to celebrate winter in Minnesota! Snowshoes included, but you can bring your own. Bring a headlamp if desired, dress in layers with sturdy boots. Note: When food is involved, there will be servers available to help - even with marshmallows for s'mores. Please wear masks, socially distance and hang with your own group. Get Outside and Play!

Seize the moment to shop from and support local artists and crafters.

WINTER FUN

SKATING RINKS

Outdoor skating rinks are located throughout the City of Oakdale and offer general skating and hockey facilities. Weather permitting, rinks are scheduled to close in late February. The following guidelines will be used to determine outdoor rink closures:

- When temperatures soften the ice it can create unsafe skating conditions. Estimated temperatures of 37 degrees or higher may cause rink closures.
- When actual temperature reaches -10 degrees or wind chill temperature reaches -25 degrees.
- If more than 3 inches of snow accumulate on the ice when maintenance crews are not available.

Note: Please check the Recreation Department's Facebook page or go to www.oakdalefun.com for City facility updates and rink conditions.

Wellness 50+

For over six years the Oakdale Wellness 50+ team has been working to improve health and wellness in the Oakdale community, particularly for adults over 50. During these unusually confining times, we encourage you to exercise, eat well, and get good sleep. To that end, we offer the following:

STAY FIT ONLINE - GET MOVING WITH SUSAN!

Join Susan Weum for an online exercise class to get your body moving again. Break out of isolation and inactivity to reclaim your vigor! Join your peers for a dynamic warmup followed by stretching and strength building. We'll finish each session with balance and relaxation to leave you energized and stress free. This class will restore your strength, balance, and mobility. The first class is FREE! If you enjoy it, more will follow.

First zoom class: February 6 | 9 to 9:45 AM

Register by email: oakdalewellness50new@gmail.com, link will be sent.

Susan Weum is a National Academy of Sports Medicine Personal Trainer and a member of the Oakdale 50+ Team. Her Personal Training practice, Forever Fit MN, specializes in helping adults to enjoy a vital, active life.

WELLNESS BOOK CLUB

CANCELLATIONS

Oakdale Recreation reserves the right to cancel, postpone or combine programs, and/or change instructors. Classes may be canceled due to insufficient enrollment or COVID-19 restrictions, in which case payment will be refunded or credited to your account. Participants will be notified of program cancellations prior to the start of the program.

PROGRAM CONFIRMATIONS

You will be contacted only if a program is full, canceled, or if a program change is necessary.

REFUNDS

Registration fees for programs canceled by the Recreation Department will be fully refunded. Other than Adult Trips, participants may cancel a registration three business days before the start of the program and receive a refund, less a \$5 administration fee. Once a refund has been requested, a check will be mailed within 45 days. If the registration payment was charged, a credit to the credit card will be processed. No refunds can be issued once a program has started or if tickets were purchased for a trip or event.

REGISTRATION DEADLINES

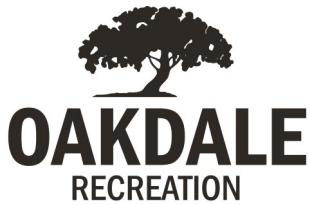

Registration deadlines are established for programs to ensure appropriate staffing, supplies, and facility needs. Please refer to program descriptions for each program's registration deadline.

SCHOLARSHIPS AVAILABLE

Scholarships are available for persons who need financial assistance to participate in youth programs. Funds are limited and available on a first-come, first-served basis. For more information or to request an application, please call 651-747-3860.

WAIT LISTS

If a class or event is full, you may request that your name be placed on a waiting list in the event that an opening occurs.
