LOCAL SALES TAX EXTENSION APPROVED

Voters supported an extension of the one-half percent sales tax through 2053.

Both City questions on the November 5 ballot related to an extension of the current one-half percent local sales tax to raise additional funds for two facility projects were approved by Oakdale voters.

Question One requested an additional \$3 million to help fund the expansion and remodel of the current Police facility. It was approved with 68 percent (9,919 Yes votes) of the total votes.

Question Two requested an additional \$6 million to help fund the construction of a new Public Works facility. It was approved with 71 percent (10,319 Yes votes) of the total votes.

The City Council made the vote totals official with a canvass of votes on November 12. Approval of both questions will raise additional funds to help close a funding gap caused by inflation. The local sales tax will now remain in place until 2053 or until funds have been collected, whichever is sooner.

Construction of the Public Works facilities officially began in October 2024 with an expected facility opening in fall 2025.

Thank you to Oakdale voters who made their voice heard on this important community decision!

City officials and staff participated in an official ground breaking for the new Public Works facility on October 8, 2024.

CITY NEWS

WILLOWBROOKE COMMONS GRAND OPENING AND FUTURE PARKS

On October 12, 2024, City staff, officials and Oakdale community members celebrated the grand opening of Willowbrooke Commons, the first of three new City parks planned in the Willowbrooke neighborhood. This one-of-a-kind community park, located at 3800 Henna Avenue N, includes inclusive playground equipment, challenge course, adult fitness equipment, community gathering shelter, restroom building, hammock area and trails.

Planning is currently underway for the two other Willowbrooke parks. The second park, Willowbrooke Park West, will be located south of 40th Street N on Hayward Avenue N. Approved preliminary concept plans for the park include a soccer field, pickleball courts, shade structure, lawn picnic area and a shelter/restroom building. Construction is scheduled to occur in 2025.

Willowbrooke Park North will be the third park constructed and is envisioned as a passive park space with walking trails and seating areas. Located on 40th Street N, construction on the final park is also scheduled to begin in 2025.

4TH STREET BRIDGE AND METRO GOLD LINE BRT UPDATE

After 10 months of construction work by Metro Transit, the new 4th Street bridge reopened to vehicle, bicycle and pedestrian traffic in early November 2024. Improvements include new infrastructure, bus-only lanes for the Gold Line Bus Rapid Transit (BRT) and a dedicated shared-use pathway.

A majority of construction activities for the Gold Line BRT wrapped up in late fall while minor finishing work will continue through early winter including site restoration and installations at the Greenway and Helmo Stations in Oakdale. The Gold Line BRT is expected to open for service on March 22. To learn more about the Gold Line BRT, visit www.metrotransit.org/gold-line-project.

City Council Members cut the ribbon for Willowbrooke Commons (top) and kids explore the new playground equipment at the grand opening on October 12 (bottom).

City, county and state officials gathered with the Oakdale Area Chamber of Commerce for a ribbon cutting in October.

OAKDALE Aa1 CREDIT RATING REAFFIRMED BY MOODY'S

For the third-straight year, Moody's assigned Oakdale an Aa1 rating – the second-highest rating which reflects the City's strong local economy, robust financial position and moderate longterm liabilities.

CITY ENGAGES NEW STRATEGIC PLAN

The Oakdale City Council and staff recently completed a strategic planning process to develop priorities and action steps for the City of Oakdale to prioritize over the next few years. This strategic plan includes three strategic directions with 10 strategic elements that will be evaluated through two-year goals and put into action in one-year increments. The three strategic directions are:

- Engaging people to co-create our story
- Positioning Oakdale for continued success in a rapidly changing world
- Empowering our organization to meet evolving community expectations

The plan will guide decision-making by the City Council and City leadership to meet the needs of the Oakdale community. To view the plan, scan the code.

HOUSEHOLD MEDICATION

DISPOSAL

Oakdale City Hall now offers free disposal of unused and expired household medications for Washington County residents. Two year-round drop boxes are available Monday through Friday, 8 AM to 4:30 PM.

Old and unused medicines in the home can pose a risk for accidental poisoning, theft and drug abuse. Medications disposed of in a sink, toilet or landfill can pollute water and harm wildlife. Any medication disposed of in the bins at City Hall will be secured by the Oakdale Police Department and transported to a waste-to-energy facility that is licensed to burn this type of waste.

Drop-off of items is anonymous (no ID required). Names on prescriptions do not need to be crossed off. Medications should be kept in the original container, if possible, or placed in a small bag.

Items accepted in the bins include household prescriptions, over-the-counter and pet medications:

- Pills and capsules
- Blister packets
- Creams and gels
- Unused Epipens
- Inhalers and patches
- IV bags and vials
- Liquids, powders and sprays

The following items are not accepted in the bins:

- Medications from businesses
- Needles, used Epipens, syringes, lancets or thermometers
- Liquid chemotherapy drugs
- Vaping devices or e-liquids

Unaccepted items may be disposed of at the Washington County Environmental Center (4039 Cottage Grove Drive, Woodbury). More information about the program can be found at www.washingtoncountymn.gov/meds.

SEASONAL REMINDERS

WINTER PARKING ENDS APRIL 1

Winter parking restrictions end April 1. Until then, no vehicles may park on City streets between the hours of 12 to 5 AM, or anytime snow accumulation equals or exceeds two inches until the street is cleared of snow.

ILLEGAL DUMPING

Only rain, melted snow and sump pump discharge should enter storm drains. Yard waste, automotive fluids, pet waste or other illicit discharge that enters a storm sewer can flow into lakes, rivers and ponds causing pollution. Report all illegal dumping or illicit discharge.

TALL GRASS

Beginning May 15, grass must be kept at a maximum of six inches, cut at least every two weeks, and weeds kept under control. When the City receives a complaint, a property owner has five days to cut the grass, or the City will cut it and assess the cost to the property owner.

BRANCH/BRUSH DISPOSAL

Public Works accepts branches and brush under eight inches in diameter for a nominal fee. Drop off hours are Monday through Friday from 7:30 AM to 3 PM, beginning the second Monday in April and running through the third Friday in October. No grass clippings or bagged leaves are allowed for drop off at Public Works.

CALL BEFORE DIGGING

Residents planning to dig for posts, landscaping or gardening should call Gopher State (8-1-1) 48 hours before digging.

BACKYARD AND RECREATIONAL FIRES

With spring and warmer temps coming, it is important to make sure any backyard and recreational fires follow these guidelines:

- The base of the fire should not exceed three feet in diameter.
- Flames cannot exceed two feet in height.
- Fire is contained in a fire ring of non-combustible material.
- Fire ring is located at least 25 feet from structures.
- Water source is in close proximity.
- Fire is attended until extinguished.
- Burn only clean and dry wood, not treated lumber, leaves, trash or furniture.
- Fire should not produce smoke that causes discomfort to or negatively impacts neighboring properties. Please call 911 for discomfort or negative impact due to a recreational fire.

For more spring reminders, scan the code or visit www.oakdalemn.gov/604/Spring-Reminders.

HYDRANT FLUSHING HELPS KEEP CITY WATER CLEAN!

Ever wondered why all fire hydrants are flushed each spring? This process helps clear the City water supply of mineral deposits such as calcium and iron. Flushing prevents buildup within the pipes, maintains water quality, and ensures efficient and reliable transportation of water through the distribution system. It may create a temporary interruption to water service or slight discoloration of water. For discolored water, run cold water for a few minutes until it clears. It usually takes City staff about a week to complete flushing of all hydrants.

PROPERTY TAX STATEMENTS AND VALUATION NOTICES

In November, Washington County mailed property owners a Proposed Property Tax statement outlining the preliminary taxes for 2025.

The Oakdale City Council approved the 2025 tax levy on December 10, 2024. Other taxing districts, including Washington County and ISD 622, also passed levies for the upcoming year in December. In late March, Washington County will mail out final 2025 property tax statements to residents.

Property owners will also receive their 2025 property valuation notice. This includes the assessed value for each property based on real estate transactions that occurred October 1, 2023 through September 30, 2024. The assessed values, established by the Washington County Assessor, mirror the market value changes that took place during that time period. Assessed property values are one of several factors that determine the portion of property taxes that each property owner pays.

Property owners should review valuation notices upon receipt. In order to contest assessed values or ask questions, property owners must contact the Washington County Assessor's Office directly at **651-430-6175**. There will also be regional open book meetings in April for property owners to attend to learn more about their property valuation statement.

For more information on property taxes and assessed values, visit www.washingtoncountymn.gov/3434/Property-and-Home.

ENVIRONMENT

SPRING EVENTS

Oakdale has several upcoming spring events that encourage community members to be environmentally conscious and help spruce up the City! Mark your calendars and get ready to help make a difference.

ARBOR DAY TREE GIVEAWAY

Saturday, April 26

Fire Station One (5000 Hadley Avenue N)

The annual Pete Graske Arbor Day Tree Giveaway will take place in a new location for 2025 at Fire Station One. Residents will have an opportunity to claim a free tree to plant and contribute to tree growth in Oakdale. City Council and Tree Board members will hand out trees, and the Washington County Master Gardeners will be on-site to provide tips for successful growth. More information will be available at a later date at www.oakdalemn.gov/804/Arbor-Day-Tree-Giveaway.

OAKDALE ECO FAIR

Saturday, April 26 | 9 AM to 1 PM

Castle Elementary School (6675 50th Street N)

New in 2025, the City will host an Eco Fair to help provide education to the community on a variety of environmental topics and initiatives. There will be exhibitors from local and state agencies, as well as family friendly activities throughout the day. This event is free to attend. More information will be available at a later date at www.oakdalemn.gov/1018/Eco-Fair.

JANE KLEIN MEMORIAL SPRING PLANTING EVENT

Saturday, May 17 | Location TBD

Join the Oakdale Tree Board and the Washington County Master Gardeners for a morning of planting trees and plants to spruce up Oakdale. Water and lunch are provided. Volunteers of all ages are welcome, but under 12 must be accompanied by an adult. More information will be available at a later date at www.oakdalemn.gov/231/Forestry.

RECYCLING EXISTS!

Ever wondered what really happens to recyclables when they leave your home? Recycling is no myth and it works here.

Minnesota is home to many recycling facilities that collect, sort, process and manufacture items made from the bottles, boxes and other containers you put in your recycling cart every day. When you put the right items in your recycling cart, they become new products, locally and regionally.

Examples of local recycling efforts include:

- Sorting of glass in St. Paul and production of new materials in Shakopee;
- Using plastic to create durable building materials in Paynesville; and
- Making cereal and cracker boxes out of recycled paper and cardboard in St. Paul.

Local efforts to recycle and reduce waste save energy, protect resources and support about 78,000 jobs in the state. Annually, the Twin Cities metro area recycles an

average of 900,000 tons of paper and cardboard, metal, glass and plastic.

Learn more about local recycling efforts at www.recyclingexists.com. Recycling Exists! is a collaborative campaign from six metro counties including Washington County.

PUBLIC WORKS FACILITY PROJECT

Follow the construction progress of the new Public Works facility on our project webpage. To learn more about the Public Works facility project, receive project updates and view construction time-lapse images, visit www.oakdalemn.gov/975/New-Public-Works-Facility or scan the code.

ALDI OPENS AT 4FRONT TECHNOLOGY AND OFFICE CAMPUS RETAIL SPACE

City officials attended a grand opening on December 6 for Aldi, located in the retail space of the 4Front Technology and Office campus at 3504 Highpoint Drive N. Construction began in June on the grocery store that boasts lower prices for customers based on a unique grocery store format that includes a small layout, exclusive brands, “bring your own bags” and rental cart system.

NEW DEVELOPMENTS OPEN FOR RESIDENTS

The City of Oakdale expects significant population growth over the next three years due to increased commercial and residential development. Some of that growth has started to take shape over the last year as residents have moved in to new housing developments.

In the fall, several new residential properties opened their doors for new Oakdale community members including:

- **Espen Residences:** Nestled in the Willowbrooke neighborhood east of Interstate 694 and south of 40th Street N, 79 new townhomes welcomed occupants this summer. The Espen’s 190-unit apartment complex, located at 3998 Hayward Avenue N, opened for new community members in September. Amenities include an outdoor pool, clubhouse, rooftop lounge and underground heated parking.
- **Norhart Oakdale:** Located at 7600 2nd Street N near the Metro Gold Line Helmo Station, this 328-unit apartment complex began leasing in early fall as construction wrapped up. Amenities include an outdoor pool, dog park, game rooms, movie theater and onsite market. The building includes retail space which welcomed the Ember and Bean Roasting Co. in late-October.
- **Oakdale Commons:** In November, Oakdale welcomed new residents to this 168-unit senior affordable housing complex located at 1135 Hadley Avenue N. Amenities include a community room, fitness room, covered parking and on-site professional management.
- **Harlan Apartments:** This 156-unit apartment complex, located east of Interstate 694 and south of 34th Street N at 7570 32nd Street N, opened to residents in late-November. Amenities include picnic areas, work-from-home suites, bike storage and a golf simulator.

Angie Propp was named the 2024 Volunteer of the Year at the Oakdale City Council meeting on December 10.

ANGIE PROPP NAMED 2024 VOLUNTEER OF THE YEAR

Each year the City recognizes an individual who has gone above-and-beyond in their efforts to get involved in the community and help others. Angie Propp was selected as the 2024 Volunteer of the Year for her outstanding contributions to Oakdale.

For over 25 years, Propp has been a dedicated member of the Oakdale Area Chamber of Commerce (OACC), chairing the Summerfest golf fundraiser and acting as a board member. An Oakdale resident, Propp is a founding member of the Oakdale Summerfest Community Organization (OSCO) and has been integral in helping boost the community's beloved celebration the last two years. Additionally, she serves as Vice President of the Carol Mathey's Center for Children Board of Directors.

Propp was honored by the Oakdale City Council at the December 10 meeting.

CITY COUNCIL ADVISORY BODY MEETINGS
