NEW PARKS AND PARK IMPROVEMENTS SLATED

The City has planned new construction or improvements for five parks to begin in 2026.

Last August, the City Council approved a new Park System Plan to serve as a comprehensive road map for the City’s park system over the next 20 years. Several priorities from the plan are now underway to begin in 2026, along with new parks.

The newest Oakdale park is now open for public use in the Willowbrooke neighborhood. Prairie Trails Park, located at 7468 40th Street N, is a natural resource park with open space, walking paths and seating areas.

Another Willowbrooke park is expected to open later this year. Located at 3700 Hayward Avenue N, Willowbrooke Fields will host a grass soccer field, four pickleball courts and an artificial turf volleyball court. Construction on the park began in 2025, and items remaining to be completed before opening include finishing touches on the pickleball courts, net installation on the volleyball court, and completion of the restroom building.

Construction is expected to begin on a new City park near Helmo Station this year. Planned park amenities include a playground, pickleball courts, basketball half-court, walking path, benches and picnic tables, shade structures, dog run, open space and a parking lot. Helmo Station Park is anticipated to open in 2027.

As part of the City’s Capital Improvement Plan, three City parks are slated for improvements starting in 2026. Golfview, Tanners Lake and Tower Parks were identified with existing condition scores not meeting service levels and playground equipment more than 20 years old.

Improvements at Golfview Park (6144 56th Street N) include replacing and expanding the playground and adding a concrete plaza with seating. Tower Park (868 Hadley Lane N) improvements include new playground equipment and seating, an accessible paved trail to the playground, and turfgrass restoration on the hill. Sand playground surfacing at both parks will be replaced with mulch to meet required playground surface standards.

Tanners Lake Park (400 Glenbrook Avenue N) will receive a number of improvements in 2026 that were identified as short-term priorities including relocating and constructing a new playground with an accessible path, turfgrass restoration at the site of the old playground, pickleball and tennis court improvements, constructing a parking lot off Glenbrook Avenue N, and improving ballfield drainage.

CITY NEWS

“Oakdale Santa” was recognized by the City Council at Hadley Avenue N and Stillwater Boulevard on December 8.

City Administrator Volkert (second from left) and Mayor Zabel (far right) presented Open Cupboard staff with a \$10,000 check on October 30 to help during a time of high demand for the local food shelf.

OAKDALE SANTA NAMED 2025 VOLUNTEER OF THE YEAR

Each year, the City recognizes an individual who has gone above-and-beyond in their efforts to get involved in the community and help others. “Oakdale Santa” was selected as the 2025 Volunteer of the Year for his outstanding contributions to Oakdale.

For over 35 years, “Oakdale Santa” has stood near the corner of Hadley Avenue N and Stillwater Boulevard during the holiday season, spreading cheer to hundreds of children and their families that stop by each year. “Santa” passes out candy canes and listens to the wishes of all community members each year as part of his efforts to bring joy to Oakdale.

“Oakdale Santa” was surprised by the Oakdale City Council and recognized with the award on December 8.

CITY DONATION TO OPEN CUPBOARD

On October 30, Mayor Zabel and City Administrator Christina M. Volkert presented Open Cupboard with a \$10,000 check to assist during a time of high demand at the local food shelf due to the temporary pause of SNAP benefits during the federal government shutdown and the holiday season. At the October 28 meeting, the City Council approved the one-time disbursement from the Charitable Gambling Fund as permitted by Minnesota Statutes.

PUBLIC WORKS FACILITY UPDATE

Work on the new Public Works facility (3200 Granada Avenue N) is nearing completion. Due to weather, the timeline was pushed back in late fall, but finishing touches are expected to conclude early this spring before Public Works operations relocate to the facility. A public grand opening is expected late Spring 2026 once the facility is complete. To learn more about the project and receive project updates, visit www.oakdalemn.gov/975/New-Public-Works-Facility or scan the code.

POLICE EXPANSION AND CITY HALL REMODEL PROJECT

Construction for the Police Expansion and City Hall Remodel Project is anticipated to begin in June. City services including the Police Department, utility billing and permitting will be impacted by the project. Alternative locations for accessing services will be communicated when available. The latest information regarding the project and construction impacts can be found on the project webpage at www.oakdalemn.gov/1020, or scan the code.

UTILITY BILLING RATES

The City's fee schedule was approved on December 9, and new utility billing rates began on January 1, 2026. Important changes and items of note for 2026 include the following:

- The quarterly base rates for water and sewer are not applicable to existing senior citizen and disabled person program participants as of June 30, 2025. This provision sunsets on June 30, 2026.
- The residential sewer rate per 1,000 gallons is applicable to all accounts as of January 1, 2026.
- The annual state testing fee increased from \$9.72 to \$15.22 per water connection. According to the Minnesota Department of Health, this increase reduces the state's reliance on federal infrastructure funds to implement the Safe Drinking Water Act and ensures all public water systems get support needed to provide safe drinking water in Minnesota.

SPRING EVENTS

Oakdale has several upcoming spring events that encourage community members to be environmentally conscious and help spruce up the City! Mark your calendars and get ready to help make a difference.

ARBOR DAY TREE GIVEAWAY

Saturday, April 25

Fire Station One

(5000 Hadley Avenue N)

The annual Pete Graske Arbor Day Tree Giveaway allows residents to claim a free tree to plant and contribute to tree growth in Oakdale. City Council and Tree Board members will hand out trees, and the Washington County Master Gardeners will be on-site to provide tips for successful growth. More information will be available at a later date at www.oakdalemn.gov/804/Arbor-Day-Tree-Giveaway.

ECO FAIR AND CLOTHING SWAP

Saturday, April 25 | 9 AM to 1 PM

Castle Elementary School

(6675 50th Street N)

Stop by the Eco Fair to learn about a variety of environmental topics and initiatives. There will be exhibitors from local and state organizations, as well as family-friendly activities throughout the day. You can also shop for free, gently used clothing items at the Clothing Swap. This event is free to attend. More information on the Eco Fair and how to donate to the Clothing Swap will be available at a later date at www.oakdalemn.gov/1018/Eco-Fair.

JANE KLEIN MEMORIAL SPRING PLANTING EVENT

Saturday, May 16 | Location TBD

Join the Tree Board and the Master Gardeners to spruce up Oakdale! Water and lunch are provided. Volunteers of all ages are welcome, but under 12 must be accompanied by an adult. More info will be available at a later date at www.oakdalemn.gov/231/Forestry.

2026 PROPERTY TAX STATEMENTS AND VALUATION NOTICES

In November, Washington County mailed property owners a Proposed Property Tax statement outlining the preliminary taxes for 2026. The Oakdale City Council approved the 2026 tax levy on December 9, 2025. Other taxing districts' levies are also included. In late March, the County will mail final 2026 tax statements to residents.

Property owners will also receive their 2026 property valuation notice. This includes the assessed value for each property based on real estate transactions that occurred October 1, 2024 through September 30, 2025. The assessed values, established by the Washington County Assessor, mirror the market value changes that took place during that time period. Assessed property values are one of several factors that determine the portion of property taxes that each property owner pays.

Property owners should review valuation notices upon receipt. In order to contest assessed values or ask questions, property owners must contact the Washington County Assessor's Office directly at **651-430-6175**. There will also be regional open book meetings in April for property owners to attend to learn more about their property valuation statement.

For more information on property taxes and assessed values, visit www.washingtoncountymn.gov/3434/Property-and-Home.

2026 GENERAL FUND SUMMARY BUDGET STATEMENT

The purpose of this report is to provide summary 2026 General Fund budget information concerning the City of Oakdale to interested citizens. The complete budget may be examined online at www.oakdalemn.gov or at City Hall, 1584 Hadley Avenue N. The budget is published in accordance with Minn. Stat. Sec. 417.6965. The City Council approved the budget December 9.

SEASONAL REMINDERS

WINTER PARKING ENDS APRIL 1

Winter parking restrictions end April 1. Until then, no vehicles may park on City streets between the hours of 12 to 5 AM, or anytime snow accumulation equals or exceeds two inches until the street is cleared of snow.

ILLEGAL DUMPING/ILLICIT DISCHARGE

Only rain, melted snow and sump pump discharge should enter storm drains. Yard waste, automotive fluids, pet waste or other illicit discharge that enters a storm sewer can flow into lakes, rivers and ponds causing pollution. Report all illegal dumping or illicit discharge.

TALL GRASS

Grass must be kept at a maximum of six inches, cut at least every two weeks, and weeds kept under control. Enforcement begins June 1. When the City receives a complaint, a property owner has five days to cut the grass, or the City will cut it and assess the cost to the property owner.

CALL BEFORE DIGGING

Residents planning to dig for posts, landscaping or gardening should call Gopher State (8-1-1) 48 hours before digging.

BRANCH/BRUSH DISPOSAL

Public Works accepts branches and brush under eight inches in diameter for a nominal fee. Drop off hours are Monday through Friday from 7:30 AM to 3 PM, beginning the second Monday in April and running through the third Friday in October. No grass clippings or bagged leaves are allowed for drop off at Public Works.

EMERALD ASH BORER

Emerald Ash Borer (EAB) is an invasive pest that kills ash trees and is now pervasive in Oakdale. Ash trees infected with EAB become weak and pose a danger to people and property. It can take several years for ash trees to show signs and/or symptoms of EAB infestation. A tree can appear healthy but may still be infested. It is important to identify ash trees, take steps to prevent the spread of EAB, and remove infested trees.

To learn more about identifying ash trees, signs and symptoms of EAB infestation, and treatment options or solutions, visit www.oakdalemn.gov/1040/Emerald-Ash-Borer or scan the code.

BACKYARD AND RECREATIONAL FIRE SAFETY GUIDELINES

With warmer temps on the way, the Fire Department has some reminders on fire guidelines and safety tips! Backyard and recreational fires are allowed when:

- The base of the fire does not exceed three feet in diameter.
- Flames do not exceed two feet in height.
- Fire is contained in a fire ring of non-combustible material.
- Fire ring is located at least 25 feet from structures.

- Water source is in close proximity.
 - Fire is attended until extinguished.
 - Burning only clean and dry wood, not treated lumber, leaves, trash or furniture.
 - Fire does not produce smoke that causes discomfort to or negatively impact neighboring properties.
- Please call 911 for discomfort or negative impact due to a recreational or backyard fire.

PUBLIC SAFETY

OAKDALE FIRE PARTICIPATES IN LIVE BURN TRAINING

The Oakdale Fire Department conducted a live burn of a home on November 19. Training in real homes helps save lives by providing firefighters hands-on experience that mimics real-world conditions; provides search-and-rescue realism; creates building construction familiarization; facilitates forced entry and ventilation practice; and develops decision-making under stress.

Prior to the burn, the City secured necessary permits from the MN Department of Natural Resources (DNR) and MN Pollution Control Agency (MPCA), completed asbestos inspection and abatement, and removed hazards from the home to ensure safe burn conditions.

ELECTRIC AND MOTORIZED VEHICLE SAFETY INFORMATION

With a recent rise in use of electric and motorized scooters, bicycles and vehicles, the Oakdale Police Department wants to provide helpful information regarding different types of devices, rules and regulations, and safety tips which include the following:

- Know the laws and ordinances and follow them.
- Wear a helmet.
- Ride at safe speeds. Be aware of your surroundings.
- Ride in same direction as traffic, on the right side.
- Warn pedestrians and pass cautiously on the left.
- Signal turns and yield at intersections.
- Use lights and extra caution after dusk.

ESTORIA OAK MARSH BREAKS GROUND

City officials joined other local officials and the Oakdale Area Chamber of Commerce (OACC) for a groundbreaking of Estoria Oak Marsh on October 8. Located at 8001 4th Street N, this member-owned cooperative building will feature 87 units of one-level, maintenance-free living for adults 62 and older. Premium community amenities that cater to an active lifestyle will include pickleball and bocce ball courts, pet park, fitness studio, golf simulator, garden room and more.

MANA BREWING OPENS IN NORHART BUILDING

City officials participated in an official ribbon cutting hosted by the OACC at Mana Brewing on October 30. Located in the Norhart building at 7600 2nd Street N near the Metro Gold Line Helmo Station, Mana Brewing is Oakdale's first brewpub and offers a wide selection of beer, cocktails, pizza and more.

12TH STREET N AND GENEVA AVENUE N REDEVELOPMENT STUDY

In 2025, the City of Oakdale conducted a study of the 12th Street N and Geneva Avenue N area. The study area is bounded by 10th Street N to the south, Geneva Avenue (Century Avenue/MN-120) to the west, 14th Street N to the north, and various property lines to the east. The study explores land use, transportation, and redevelopment opportunities for properties near the intersection of 12th Street N and Geneva Avenue N. As part of the project, City staff gathered public feedback through surveys and stakeholder interviews.

The final study report was accepted by the City Council on October 14. The study is intended as a general framework for redevelopment, and the recommendations outlined do not represent official City policy.

Illustrative concept sketches show potential redevelopment scenarios for the study area including new housing, commercial uses, public improvements, and new community open spaces.

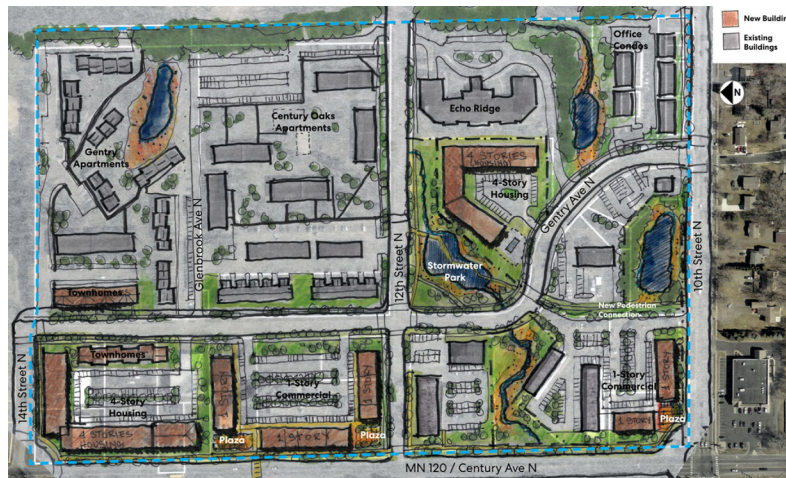

BUSINESS & DEVELOPMENT

City officials participated in a groundbreaking ceremony for Estoria Oak Marsh on October 8.

City officials attended a ribbon cutting ceremony for Oakdale's first brewpub, Mana Brewing, on October 30.
