DO YOUR PART, ONE DROP AT A TIME

You know that the job of the storm drain in the street is to carry water (rain, melted snow) off the street to lakes, rivers, and wetlands. But do you also know that we can all help protect our nature resources by doing these few simple things?

- Removing leaves, seeds, and grass clippings from streets, gutters, and storm drains.
- Keeping trash from entering a storm drain.
- Picking up pet waste.
- Choosing a zero-phosphorous fertilizer; and sweeping up any spilled fertilizer off paved surfaces.
- Mulching or bagging grass clippings. Compost clippings or take them to Composting Concepts, 4600 Cottage Grove Dr. in Woodbury. Call 651-769-0531.
- In the winter, use salt sparingly on icy walkways. When temperatures fall below 15 degrees, use sand.

Sweep up! Rake up! Pick up!

Rain and melting snow can wash anything that's on our streets and other paved surfaces down storm drains and into lakes, rivers, and wetlands.

Leaves, grass, and dirt contain phosphorus, which feeds the algae that turn lakes green. Please Keep them off streets and sidewalks.

Trash clogs drains and pipes causing flooding. Please put trash into garbage containers.

Salt is almost impossible to remove from waterways. Just one teaspoon pollutes five gallons of water forever. Use it sparingly.

Pet waste carries harmful bacteria, parasites, and phosphorus. Please pick up after your pet.

ROAD TRIP FIVE PRESIDENTS

"Five Presidents"
Old Log Theater
Wednesday, July 10

Author Rick Cleveland, who has written for *The West Wing* and *House of Cards*, demonstrates that he can also make government leaders engaging on stage.

Former presidents Gerald Ford, Jimmy Carter, Ronald Reagan, and George H. W. Bush joined the incumbent president, Bill Clinton, at the 1994 funeral of former president Nixon. It had been more than twenty years since the world's most exclusive club had lost a member through death.

"Five Presidents" is an 85-minute *imagining* of what the five might have chatted about while gathered. Perhaps some soul searching or perhaps these leaders of the free world prefer banter, small talk, jokes, or petty bickering? "Five Presidents" is a smart and funny drama/comedy.

Lunch will be served at Old Log Theater prior to the show. *Please choose your entrée when registering: Braised Boneless Short Rib, potatoes, seasonal vegetable, gravy; Seared Pork Chop, potatoes, seasonal vegetables, bacon port demi glaze; Dill Roasted Tilapia, potatoes, seasonal vegetables, with lemon; or Angel Hair Pasta with Garden Marinara. All entrees include dinner rolls, non-alcoholic beverage and dessert.*

If you need assistance with hearing, hand-sized receivers are available. Please make a note on your registration form if you would like to reserve one.

Depart: 11 AM Walton Park Band shell parking lot, west of City Hall off 15th Street, next to the band shell.
Return: Approximately 4:45 PM
Cost: \$85 per person
Activity Level: Easy

*Please register by June 12;
no refunds can be made after June 12*
