GOOD FOR BUSINESS GOOD FOR THE COMMUNITY

The Oakdale Area Chamber of Commerce's mission is to "create opportunities for businesses to share." Our member businesses gain opportunities to network and grow their business and opportunities to connect with and give back to their community. Look at all of the benefits membership in the Oakdale Area Chamber of Commerce provides:

Monthly lunches + membership meetings

Your membership includes a complimentary lunch at our monthly general membership meetings. Meetings are held the first Thursday of each month at different locations in the community.

Business Referrals + Networking

OACC receives many calls requesting information on quality businesses of every conceivable type. We prefer to refer members, and we do it every day. In addition, OACC participates in many networking events through out the year.

Business Promotion

When you join the OACC, your business will be added to our online directory. You'll also have access to additional promotional opportunities including ribbon cuttings, website advertising and social media promotion.

Representation in Local Government

OACC members benefit from the strength of the many. With strong and productive relationships with city elected officials and staff, OACC fights for legislation and ordinances that makes it easier for you to do business.

Community Involvement

The OACC places heavy emphasis on giving back to the community. The Chamber sponsors several community events, and holds fundraisers to support charitable organizations in our communities.

Affiliate Membership with SPACC

Members of the Oakdale Area Chamber of Commerce receive an added benefit of becoming an affiliate member of the Saint Paul Area Chamber of Commerce at no additional cost.
