

# Police Activity Summary

**Year 2025**

Created January 2026

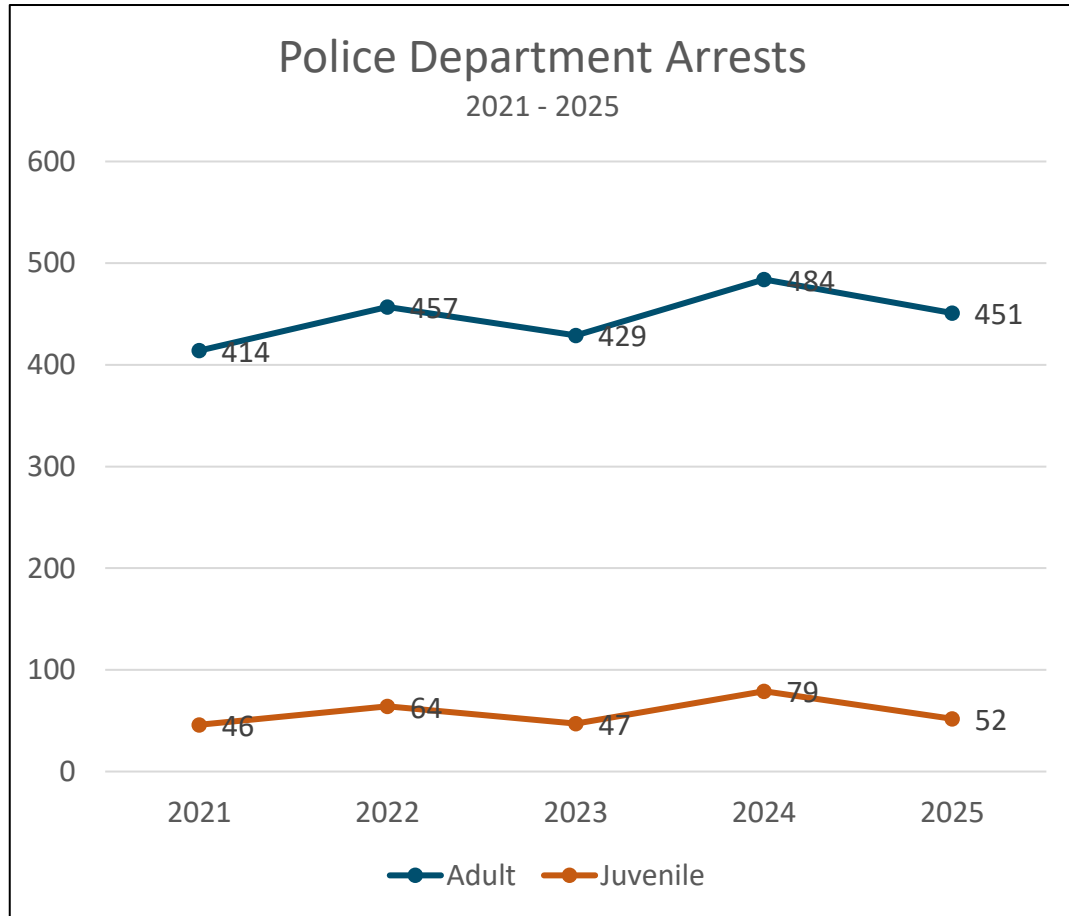

# Incident Reports & Calls For Service

- Incident Report means reports completed by staff and coded into database by records staff.
- Calls for service is when a citizen calls 911 or non-emergency dispatcher for a police service. Not all calls for service are documented in an incident report as they are minor, non-criminal matters.

# Arrest Information

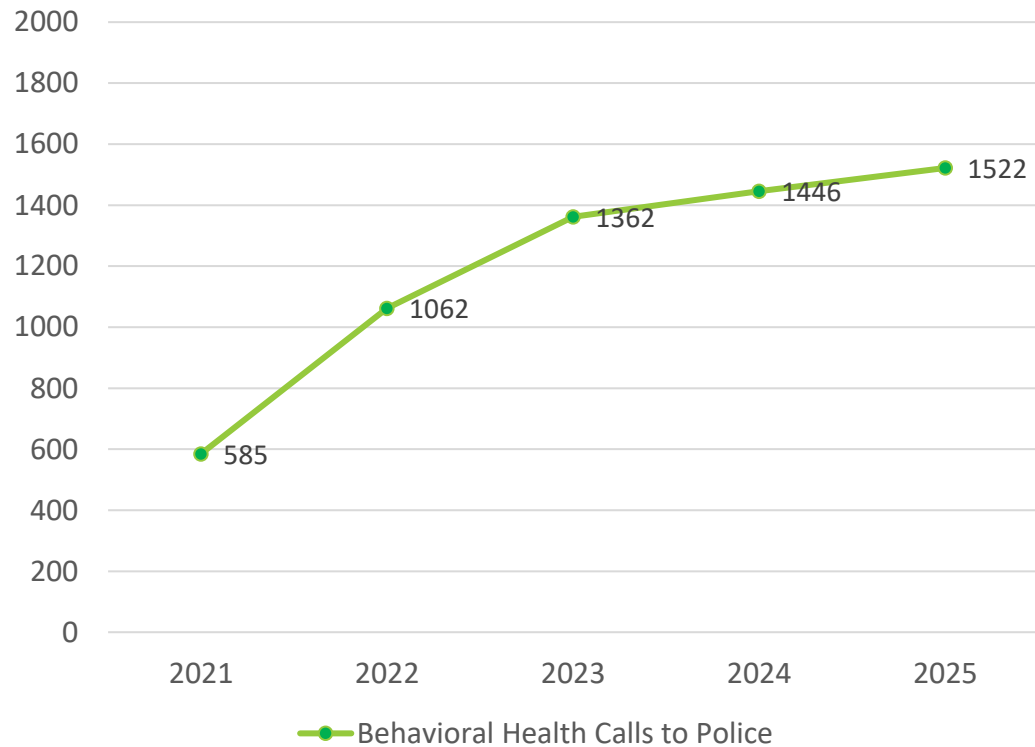

## 2025 Arrests:

- 451 Adult Arrests
- 52 Juvenile Arrests

# Behavioral Health

Behavioral Health Calls  
2021 - 2025

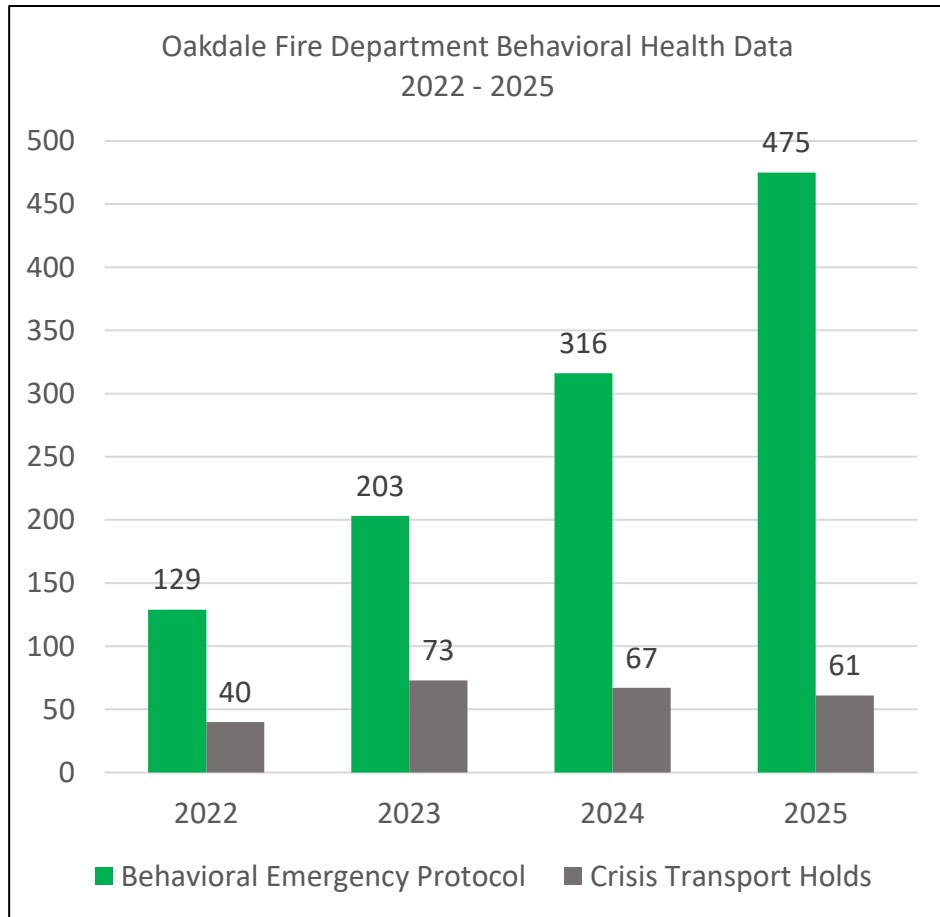

- Behavioral health calls for service is when police respond to a person experiencing a mental health crisis, suicidal ideations, or chemical dependency issues, among other categories.
- While data show sharp increase in behavioral health calls for service, police believe the chart does not accurately represent the number of behavioral health calls; rather, numbers have been increasing over several years and incidents were not documented appropriately.

#### Assumptions on data:

- Will see a slight increase in future years through awareness and better documentation.

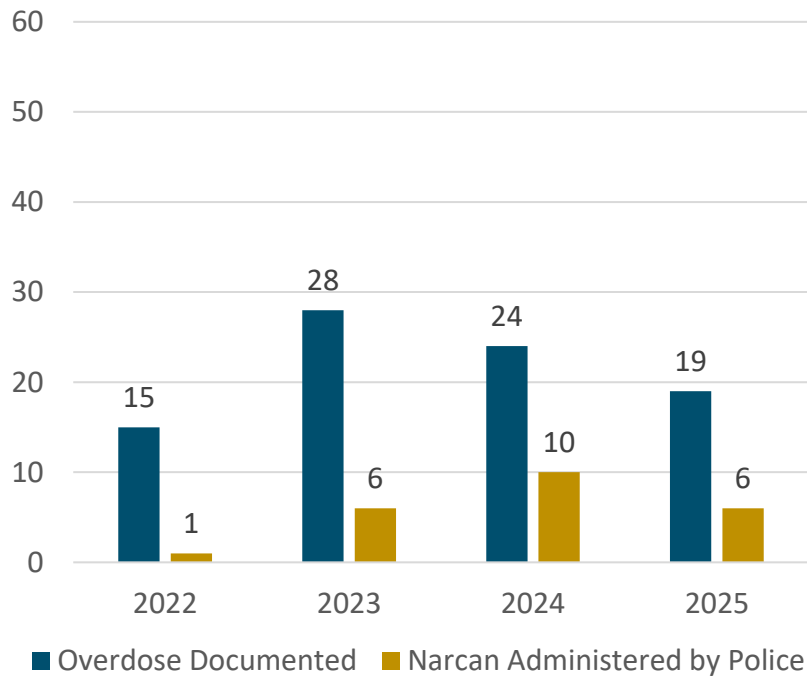

# Behavioral Health

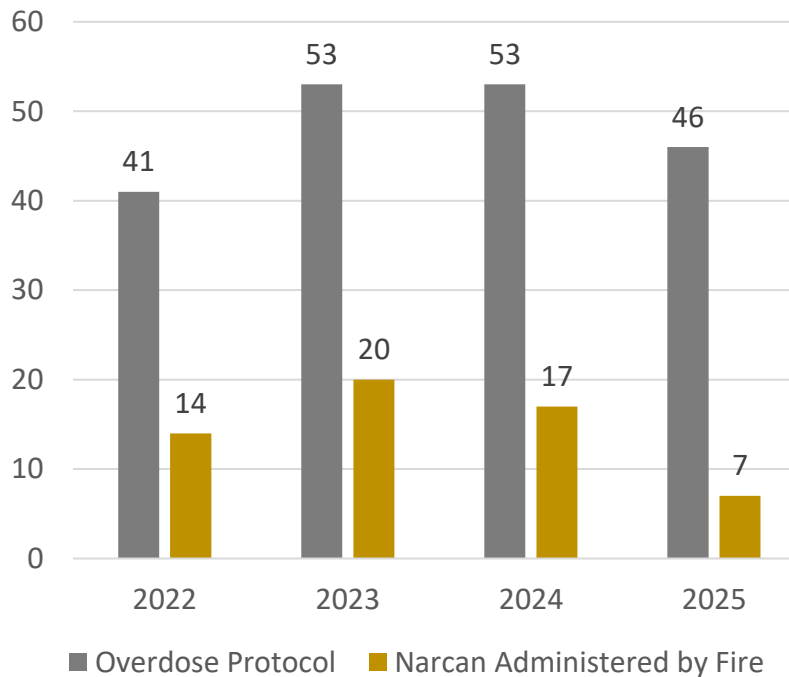

- Behavioral Emergency Protocol is when a person displays symptoms of crisis and Fire staff follow behavioral health protocol as established by the Medical Director.
- Comparing 2024 to 2025:
  - Fire Department documented a 50% increase in behavioral health emergency protocol, and a slight decrease crisis transport holds.

# Narcotics – Overdose Incidents
